The pay of the mukaddi is Rs 8 p.m.

3) Probably the Supervision work can well be done by the panchayatdars of the Union by turns & the collection work by the Patel & Shanbhogue on payment of the usual Commission of 5% of the total collections which is not likely to exceed Rs 30 per annum

4) The Savings by abolishing the mukaddi's place and entrusting his work to the Village Servants and the panchayatdars will result in a saving of Rs 96 - Rs 30 = Rs 66 which may very well be utilized for increasing the pay of the Sweepers.

Sir,

I have the honor to report that there are four Sweepers on Rs 2/ each per mensem in the Ramagiri Minor, Hotalkere Palli for the Conservancy work of the village. The Amildar reports that the Conservancy work is not satisfactory, as the Sweepers generally attend to this work for a few hours in the morning,

as

as admitted by themselves and so out on other private work in the afternoons for earning wages to supplement their pay which is not at all enough for the support of themselves and their families. He further reports that the beggars agree to serve as whole time servants, if they are paid Rs 4/- each per mensem and proposes that instead of 4 sweepers at Rs 2/- each, only two sweepers on Rs 4/- each may with more advantage, be entertained. This subject was placed before the District Board on the 19th April, and an extract of their resolution

is herewith submitted. The District Board is agreeable to the proposal of the Taluk Board and Union Panchayat to entertain two Sweepers on Rs 4/- Each per mensem. In the circumstances represented, I am of opinion that the proposal is reasonable and may be sanctioned.
